
SETTING UP AN EMAIL ACCOUNT

Email accounts can be set up through many websites, two of the most common are:
Google – Gmail email account website at: mail.google.com

Go to the bottom of the page below sign in and click on “Create an account”

Yahoo – email account website at: mail.yahoo.com

Click on “Create Account” at the bottom of the white box on the right

Both websites will walk you through the process once you click on “Create account.”

Be sure to note your email address and password to access your account in the future.
